City of Des Plaines recently issued the following announcement.

The public is cordially invited to join representatives from the City of Des Plaines for its Comprehensive Plan Open House on Thursday, October 11th from 6:00 pm to 8:00 pm. The event will take place at Des Plaines City Hall, 1420 Miner Street. The plan was developed over a span of two years by the City's Community and Economic Development Department and the Chicago Metropolitan Agency for Planning (CMAP). After extensive research and fact-gathering, it's now time to get the community's feedback on the recommendations and goals that are identified in the plan.
